

## W KITCHEN

### ***W Verbier launches a new restaurant concept, a unique bistronomy experience introducing Modern Local Cuisine in Verbier***

The supreme Swiss cuisine heritage, favored by oh so many gourmets, will elevate with an intriguing twist together with the introduction of the new restaurant W Kitchen.

Set to complete W Verbier's exclusive yummy portfolio of six restaurants and bars, with offerings ranging from Signature tapas by famous Spanish Chef Sergi Arola in Eat-Hola Tapas bar to state-of-art Japanese creations waiting for connoisseurs in Carve Sushi Bar, **W Kitchen** is sure to become a gem for those who are in constant search for pulsating gourmet experiences.

Honored to be a unique Verbier bistronomy restaurant, **W Kitchen** promises to seduce demanding clientele with freshest seasonal offerings, exceptionally sourced in the sunny heart of the Swiss Alps. From the inevitable tenderness of arctic char to sugary crispy vegetables and sun-kissed fruits, carefully hand-picked by Valaisan farmers, every ingredient is a masterpiece of its own.

Given a vibrant personal twist by Executive Chef Torsten Sallstrom and his faithful international team, the finest local products unveil their mouth-wateriness with an innovative looks and limitless play of flavors raised from the **W Kitchen** ever-evolving principle of "Food from the Heart".

**W Kitchen** won't cease to surprise even the most seasoned gourmets, while taking care of each of every daring culinary desires. Go further with a kick starting boundary-pushing breakfast presented just the way you like it and stay later with your taste buds over a perfectly paired glass of wine from Valaisan to the Bordeaux vineyards, carefully selected by our sommelier.

Soak in the essence of a modern Bistro in **W Kitchen**, where global classics are being transformed to witty delightful renditions, and triggler your taste memories of your favorite comfort food, whether home is Switzerland or elsewhere in the world.
